

# Progression of Skills

### Measurement

COMPARING AND ESTIMATING							
EYFS (40-60+ months)	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	
orders two or three items by length or height orders two items by weight or capacity	compare, describe and solve practical problems for:  * lengths and heights [e.g. long/short, longer/shorter, tall/short, double/half]  * mass/weight [e.g. heavy/light, heavier than, lighter than]  * capacity and volume [e.g. full/empty, more than, less than, half, half full, quarter]  * time [e.g. quicker, slower, earlier, later]	compare and order lengths, mass, volume/capacity and record the results using >, < and =		estimate, compare and calculate different measures, including money in pounds and pence (also included in Measuring)	calculate and compare the area of squares and rectangles including using standard units, square centimetres (cm²) and square metres (m²) and estimate the area of irregular shapes (also included in measuring) estimate volume (e.g. using 1 cm³ blocks to build cubes and cuboids) and capacity (e.g. using water)	calculate, estimate and compare volume of cubes and cuboids using standard units, including centimetre cubed (cm³) and cubic metres (m³), and extending to other units such as mm³ and km³.	
	sequence events in chronological order using language [e.g. before and after, next, first, today, yesterday, tomorrow, morning, afternoon and evening]	compare and sequence intervals of time	compare durations of events, for example to calculate the time taken by particular events or tasks				
			estimate and read time with increasing accuracy to the nearest minute; record and compare time in terms of seconds, minutes, hours and o'clock; use vocabulary such as a.m./p.m., morning, afternoon, noon and midnight (appears also in Telling the Time)

### Measurement

MEASURING and CALCULATING - money						
EYFS (40-60+ months)	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
beginning to use everyday language related to money.	recognise and know the value of different denominations of coins and notes	recognise and use symbols for pounds (£) and pence (p); combine amounts to make a particular value  find different combinations of coins that equal the same amounts of money  solve simple problems in a practical context involving addition and subtraction of money of the same unit, including	add and subtract amounts of <b>money</b> to give change, using both £ and p in practical contexts			
		giving change	FACILIDING and CALCUI	ATING		
		Mi	EASURING and CALCUI	find the area of rectilinear shapes by counting squares	calculate and compare the area of squares and rectangles including using standard units, square centimetres (cm²) and square metres (m²) and estimate the area of irregular shapes  recognise and use square numbers and cube numbers, and the notation for squared (²) and cubed (³) (copied from Multiplication and Division)	calculate the area of parallelograms and triangles  calculate, estimate and compare volume of cubes and cuboids using standard units, including cubic centimetres (cm³) and cubic metres (m³), and extending to other units [e.g. mm³ and km³].  recognise when it is possible to use formulae for area and volume of shapes

## Progression of Skills Measurement

TELLING THE TIME						
EYFS (40-60+ months)	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
	tell the time to the	tell and write the time	tell and write the time	read, write and		
	hour and half past the	to five minutes,	from an analogue	convert time between		
	hour and draw the	including quarter	clock, including using	analogue and digital		
	hands on a clock face	past/to the hour and	Roman numerals from	12 and 24-hour clocks		
	to show these times.	draw the hands on a	I to XII, and 12-hour	(appears also in		
		clock face to show	and 24-hour clocks	Converting)		
		these times.				
uses everyday	recognise and use	know the number of	estimate and read			
language related to	language relating to	minutes in an hour	time with increasing			
time	dates, including days	and the number of	accuracy to the			
	of the week, weeks,	hours in a day.	nearest minute; record			
orders and	months and years	(appears also in	and compare time in			
sequences familiar		Converting)	terms of seconds,			
events			minutes, hours and			
			o'clock; use vocabulary			
			such as a.m./p.m.,			
			morning, afternoon,			
			noon and midnight			
			(appears also in			
			Comparing and			
			Estimating)	solve problems	solve problems	
				involving converting	involving converting	
				from hours to	between units of time	
				minutes; minutes to	between units of time	
				seconds; years to		
				months; weeks to days		
				(appears also in		
				Converting)		

# Progression of Skills Measurement

CONVERTING							
EYFS (40-60+ months)	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	
		know the number of minutes in an hour and the number of hours in a day. (appears also in Telling the Time)	know the number of seconds in a minute and the number of days in each month, year and leap year	convert between different units of measure (e.g. kilometre to metre; hour to minute)	convert between different units of metric measure (e.g. kilometre and metre; centimetre and millimetre; centimetre and millimetre; gram and kilogram; litre and millilitre)	use, read, write and convert between standard units, converting measurements of length, mass, volume and time from a smaller unit of measure to a larger unit, and vice versa, using decimal notation to up to three decimal places	
				read, write and convert time between analogue and digital 12 and 24- hour clocks (appears also in Converting)	solve problems involving converting between units of time	solve problems involving the calculation and conversion of units of measure, using decimal notation up to three decimal places where appropriate (appears also in Measuring and Calculating)	
				solve problems involving converting from hours to minutes; minutes to seconds; years to months; weeks to days (appears also in Telling the Time)	understand and use equivalences between metric units and common imperial units such as inches, pounds and pints	convert between miles and kilometres	

#### **EYFS**

#### Early Learning Goal - Shape, Space and Measure

Children use everyday language to talk about size, weight, capacity, position, distance, time and money to compare quantities and objects and to solve problems. They recognise, create and describe patterns. They explore characteristics of everyday objects and shapes and use mathematical language to describe them.
