

THRAPSTON PRIMARY SCHOOL

Evidencing the Impact of Primary PE and Sport Premium Funding

RESPECT, EMPATHY, AMBITION, COLLABORATION, HONESTY

INSPIRING AND ENABLING EVERY CHILD TO SHAPE THEIR WORLD

PE and School Sport Premium

The government in England is providing additional and substantial, ring-fenced funding to provide support to primary PE and school sport. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, funding should be spent on improving the quality of physical education and sport for all children.

Vision - Government

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

Vision – School

Physical Education is essential part of a child's development and education. To understand and accept competition is a vital life skill that will touch all children at some point, children need to process the emotions of associated with winning and losing as well as understanding that personal challenge and improving personal best is an extremely important part of everyday life.

Our vision is to instill a love of a healthy lifestyle through high quality PE lessons and via a range of extra-curricular activities.

We will aim to enable children to understand what a healthy lifestyle means including both physical and mental health through high quality connected curriculum that sits alongside and includes the PE curriculum.

Objectives

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. This means that we should use the Primary PE and Sport Premium to

- 1) To develop or add to the PE and sport activities that our school already offers
- 2) Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining our school in future years.
- 3) To ensure every child has the opportunity to participate in a wide variety of sporting and healthy lifestyle activities enabling them to lead healthy lifestyles and to compete at their personal best.

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<p>Review from the end of the academic year 22/23 -</p> <ul style="list-style-type: none"> 95% of children in the school achieved expected or above (79% expected / 16% greater depth) at the end of academic year 22/23 The school successfully works in partnership with Kettering Town F.C. who provide a range of activities for the pupils. Successful programme of CPD which supported newly appointed and less experienced/confident teachers delivered through the Corby, Oundle and Thrapston School Sport Partnership (COTSSP). The school achieved the Sports Gold Mark at the end of the academic year. 	<ul style="list-style-type: none"> Continue to develop a programme of additional sporting activities that children can actively engage in. Continue to increase in the number of disadvantaged pupils participating in sporting activities. To maintain our Gold Sports Mark status.

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your children may swim in another year please report on their attainment on leaving primary school.	79%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	72%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	79%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No - but we plan on sending the 21% of Y6 who cannot swim 25 metres for top up lessons at the end of the academic year.
