A FOUNDATION SCHOOL

2nd July 2020

Dear Parent/ Carer,

RE: Returning to school September 2020

We are looking forward to welcoming the children back to school on **Thursday 3rd September 2020**. To support the transition back to school after such a long period of closure we have made some changes to what your child will be doing.

On Thursday 3rd and Friday 4th September, the children will spend the day in their old classrooms with staff who taught them this year. They will spend this time taking part in activities, which will support them with the return to school. They will also have the opportunity to visit their new classroom.

From Monday 7th September, the children will move to their new classrooms with their new teachers, this information will be included with your child's end of year report, which will be sent to you before the end of this academic year.

We are expecting an announcement from the Government today regarding the finer details of children returning to school. We are anticipating that this may include information about possible staggered drop off and pick up times, and how to arrange lunch and playtimes. If any of this guidance impacts on the start and end times of the school day we will share this with you as soon as we are able to.

I would like to thank you all for your support and patience during these challenging times.

Yours sincerely

Pauline Turner
