

Thrapston Primary School

Friday 5th April 2019

Dear Parents,

As you will be aware, there was an incident in Market Road yesterday afternoon which resulted in a significant police presence, and the closure of roads in the immediate vicinity of the school. The school staff responded extremely professionally to ensure the safety of all our pupils and to reassure them, and their parents, at the end of the school day.

Inevitably, the road restrictions caused considerable inconvenience for parents, and others, who were arriving to collect their children and we appreciate the patience shown by the vast majority.

The governors are concerned that a small minority of parents demonstrated a lack of consideration for the safety of others, making it difficult for school staff to carry out their responsibilities in what was undoubtedly a stressful situation. We would ask that all members of the school community demonstrate our School Values, the first of which is Respect.

The Governors of Thrapston Primary School
