

THRAPSTON *Primary School*

Dear Parent/Carers,

Just a little update from us.

We are continuing to think of new ways to support the children at the school by fundraising. Our Halloween Crafts packs are going well. Our aim here is to help restore the Halloween magic whilst times are so uncertain. If you would like to see what's on offer please visit:

<https://www.pta-events.co.uk/thrapston>

From this site, you can also request a Christmas card design form. We are not able to host a Christmas Fair this year, but we know the card design has become a lovely tradition for some. Designs need to be back by 3rd November. Please do not return to class or the office. We will contact you to arrange this. On the form, there is a unique code where you can place the order for your masterpiece directly with Cauliflower Cards.

We will continue to use our Facebook group (Thrapston Primary PTFA) and the website to update you with what is on offer. For our next event, we would like you to use our email address

thrapstonprimaryschoolpta@gmail.com

We have spoken to our friends on Thrapston High Street and beyond as we are so grateful for their continued support. They have agreed to help us put on a Halloween-themed letter trail over half term. If you'd like to sign up, please send us an email and we will let you know the details.

Best Wishes

PTFA
