PE and School Sport Premium

The government in England is providing additional and substantial, ring-fenced funding to provide support to primary PE and school sport. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, funding should be spend on improving the quality of physical education and sport for all children.

Vision - Government

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport

Vision – School

Physical Education is essential part of a child’s development and education. To understand and accept competition is a vital life skill that will touch all children at some point, children need to process the emotions of associated with winning and losing as well as understanding that personal challenge and improving personal best is an extremely important part of everyday life.

Our vision is to instil a love of a healthy lifestyle through high quality PE lessons and via a range of extra-curricular activities.

We will aim to enable children to understand what a healthy lifestyle means including both physical and mental health through high quality connected curriculum that sits alongside and includes the PE curriculum.

Objectives

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. This means that we should use the Primary PE and Sport Premium to

- 1) To develop or add to the PE and sport activities that our school already offers
- 2) Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining our school in future years
- 3) To ensure every child has the opportunity to participate in a wide variety of sporting and healthy lifestyle activities enabling them to lead healthy lifestyles and to compete at their personal best.
