

# Thrapston Primary School Parent Pathway for Support

## What should I do if I am concerned about my child's progress or development?

In accordance with all the changes in our school, we present a new pathway to help parents know how to access support should they feel they wish to share any concern.

### **Step 1 – Initial Contact**

Contact your child's class teacher in the first instance, either at the end of the day face to face, by email or via Lisa Peet [lpeet@thrapston.net](mailto:lpeet@thrapston.net) to arrange a meeting.

### **Step 3 – Review**

What has been discussed with the Teacher/Mrs Peet regarding strengths and weaknesses and outcomes of actions.

Discuss further options available and next steps.

### **Step 2 – Information Gathering**

**What to expect...** a confidential, open chat to share concerns. Teacher and parents and possibly Mrs Sharon Webb (SENCO) will agree on what outcomes we are hoping to achieve. Agree actions, realistic time scales and set a review date.
