

3rd April 2020

Dear Children,

Today should have been a day when we all got together for an end of term assembly and sung Mrs Mawdsley favourite song 'Spring Chicken' but instead most of you were at home, I miss you all.

Over the last two weeks I have been looking at all of the work that you have been sending to your teachers and I am very, very impressed. I have seen lots of great Maths and English work, Science and History. The activities that have impressed me the most have been the ones where you are exploring, making things and trying out new skills, you really are a talented bunch!

Now it is the Easter holidays, I have told all of the adults in school that they are not to post any work for you to do. Don't worry though there will be lots of things that you can work on next term. If you do something that makes you proud or makes you smile over the holidays ask your grown up at home to send it to me, I would love to see what you are all up to.

I know that being at home is feeling a little strange for most of you but remember what I told you in my last letter, this is something that we have to do so we are helping to stop this virus from spreading.

I hope that you are all ok and that you are remembering to stay safe, be respectful and show your grown-ups that you are ready to listen. I am really looking forward to us all being together again.

Take care of yourselves

Mrs Turner
