

The Colosseum is a huge amphitheatre in the centre of Rome.

The Colosseum was built between 72AD and 80AD under the Emperor Vespasian.

COLOSSEUM

The Colosseum was a labyrinth of underground passages and trap doors for the animals and gladiators to suddenly appear for special effects.

The Romans used the Colosseum for Gladiator duels and public spectacles such as animal hunts.

It's an egg shaped building that is 620ft long, 512 ft wide and 158 ft tall.
