

Handwashing Hero

Design a superhero to help people wash their hands! Your superhero could help people remember to use soap when they wash their hands, or to dry their hands properly with a towel. Or they could remind people when to wash their hands, such as after going to the toilet or before eating food. Use the pictures on the images page to help you think of some ideas.

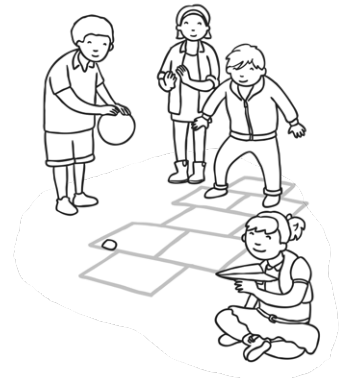

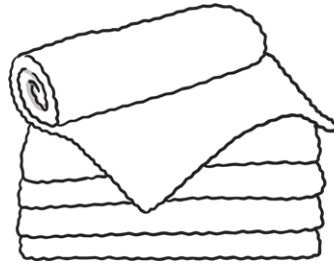

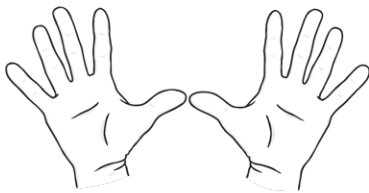

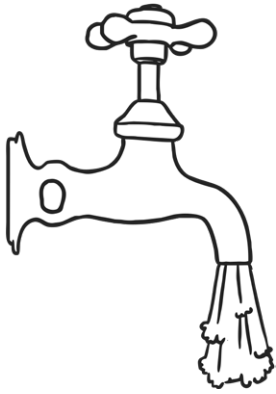

Superhero name: _____

Super power: _____

How does your superhero help people wash their hands?
