

Yellow

 - 4 = 	
 - 2 = 	
 - 5 = 	
 - 2 = 	
 - 3 = 	

Blue

$15 - 3 = 12$

Use the number tracks to help you work out the subtractions.

a) $14 - 3 =$

b) $15 - 4 =$

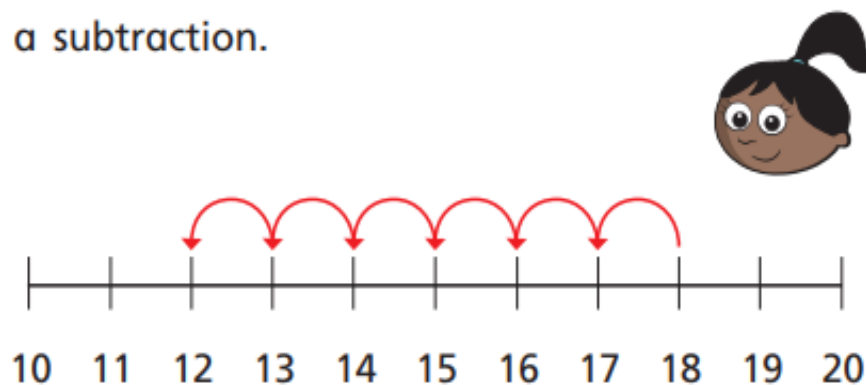

c) $14 - 4 =$

Green

- 3 Sam uses a number line to work out a subtraction.

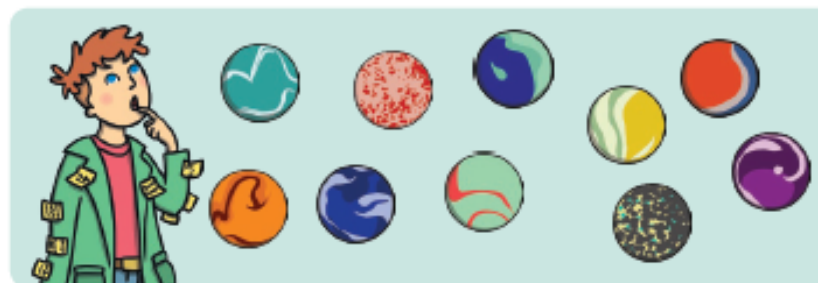

Complete Sam's subtraction.

$$\square - \square = \square$$

White

Forgetful Freddie had 10 marbles. He lost 6.

He counted back on his fingers and got to 5.

What mistake did he make?

How many marbles did he really have left?

Write a calculation.
Represent the calculation on a number line.
