

Summer Holiday Homework - Year 6

Fossey Class

We hope to create an eye-catching display based on our class name; please research our class scientist, Dian Fossey. Here are some websites you may find useful:

<http://gorillafund.org/>

<http://easyscienceforkids.com/dian-fossey-biography/>

http://www.softschools.com/facts/scientists/dian_fossey_facts/1507/

You can choose how you present your findings, it may be in the form of a piece of written work, a poster or a sculpture.

Also over the summer holidays, please try to read a variety of genres (holiday brochures, cook books, magazines, books or blogs), write (postcards, diary entries or a newspaper report based on a fun day in the holidays) as well as practise your times tables on a regular basis. I look forward to seeing your amazing efforts!

Mrs Tarr
